

The Honorable John H. Chun

UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

LAFFON GLYMPH,

Plaintiff,

v.

CT CORPORATION SYSTEMS and
COMPUCOM,

Defendants.

Case No. 2:21-cv-01704-JHC

**SURREPLY AND MOTION TO
STRIKE OF DEFENDANT
COMPUCOM SYSTEMS, INC. RE
MOTION FOR SUMMARY
JUDGMENT (ECF 95)**

Pursuant to Western District of Washington Local Civil Rule 7(g), Defendant CompuCom Systems, Inc. files this surreply for the sole purpose of moving to strike Plaintiff Laffon Glymph's mislabeled surreply (ECF 104) and its accompanying documents (ECF 104-1–104-3) regarding CompuCom's Motion for Summary Judgment (ECF 95). Under the Local Civil Rules, briefing on motions is limited to the motion itself, a response in opposition, and a reply in support. LCR 7(b)(1)–(3). Surreplies are strictly limited to raising motions to strike materials in other briefs; additional argument contained in surreplies will not be considered by the Court. LCR 7(g), (g)(2). On January 15, 2025, Ms. Glymph filed a surreply, mislabeled as a "reply" to CompuCom's Motion for Summary Judgment (ECF 95). This filing by Ms. Glymph is not in compliance with the Court's rules, as it is not limited to (and indeed does not even contain) a motion to strike material in CompuCom's actual summary judgment reply (ECF 102). Its content is also duplicative and

1 repetitive, having been filed for the sole apparent purpose of adding duplicative and unnecessary
2 briefing to the record on summary judgment. Thus, in addition to being improperly filed in the first
3 place, these materials add nothing to the briefing currently before the Court on CompuCom's
4 motion. Accordingly, the Court should strike ECF 104 through ECF 104-3 in their entirety.
